Introduction

Dave and The Davidsons is a game where you play as Dave. You are a nice normal guy who just wants to be left alone in your room. Unfortunately there are lots of chefs called The Davidsons who want to kill you. Luckily you have your gun with you so you can shoot them. They only have spatulas so it should be easy but they keep dropping in from the roof.

Controls

Jump	Up
Walk left	Left
Walk Right	Right
Shoot	Space

Objective

Kill as many davidsons as you can before you die

Tips

Burger	Gives you another life if you have less than 3
Chocolate bar	Doubles your current score

Credits

Edward Bowden	Developer
Various sources	Sprites and Sounds
